BRIEF ABSTRACT OF LETTER.

Requests that an advance of Rs 1000/- may be sanctioned on account of the expenses for the Santarpane during this year

NOTES AND ORDERS.

4-10-12

The Mulgoi Superintendent's Memo (in M.Z.117-11) gives information regarding the source of meeting the cost of ~~meeting~~ this Santarpane. It is seen that the main source is a provision of Rs 649/- allotted

from the Kasdik allotments of the temples of Sri Chandramouleswara Swami at Siddalingpur and Sri Manonmaneswaraswami at Aunnana-varakola (Rs 274/- from the former institu and Rs 375/- from the latter). As however expenses are being incurred every year ~~over~~ in excess of this allotment (Rs 649), the excess charges are being sanctioned from the ~~funds~~ savings of the Sri Chandramouleswaraswami temple.

2) Last year a sum of Rs 1093-8-5 has been incurred for the Santarpane A bill for this amount received from the Palace Controller is also worked up and submitted herewith. As the funds of the Sri Manonmaneswara temple were entirely required for repairs to that temple, even the usual allotment of Rs 375/- due towards the Santarpane of last year was not available from this temple ~~funds~~ and so the whole cost of the Santarpane of 1911 was ordered to be met from the funds of the Sri Chandramouleswara-swami temple.

3) The source of meeting the cost of the Santarpane of this year has yet to be settled Probably the usual allotments of Rs 274/- and Rs 375/- from the Sri Chandramouleswara & Sri Manonmaneswara temples may be forthcoming this year and the excess charges will perhaps have to be debited to the funds of the Sri Chandramouleswara temples. With a view to settle this matter permanently the Dy Comr was called upon to submit (in consultation with the Muz. Supdt) revised scales of expenditure in the above temples so as to allow ~~provi~~ of sufficient provision being made for the Santarpane expenses these have not yet been received.

Even the enhanced sum of Rs 878-5-0 now proposed to be allotted for the Sautarpane seems to be inadequate for the purpose, as the expenditure on this account is increasing year after year and in 1912 a sum of Rs 1351-1-5 is stated to have been incurred. The Dy Comr had been requested to submit the revised scales of expenditure in consultation with the Muzrai Supdt. But as no records have been received it can not be known whether the Muz Supdt was consulted or not. However, the scales have been revised in accordance with the suggestions set forth in Muz. with reference to sl 8, points out the source of meeting the cost of ~~this~~ Sulamasa Santarpane of 1912.

The Dy Comr proposed to meet the cost (Rs 1351-1-5) as follows:-

(i) Rs 350/- from the funds of the Sri Manonmaneswara temple

(ii) Rs 528-6-0 from the funds of the Sri Chandramouleswara temple

(iii) 472-12-5 from State funds.

From the revised scale of expenditure in the two temples sent by the Dy Comr with sl 7, it is seen that the amounts now proposed to be allotted ~~for~~ towards the Sulamasa Santarpane of 1912 from the funds of these two temples is the same as that provided in that scale. So nothing is ~~provided~~ proposed to be allotted for this expenditure from the accumulated Savings of the Sri Chandramouleswara Swami temple. Further, ~~as above~~ it may not be possible to provide Rs 350/- from the Manonmaneswara temple as it is stated to have had a debit balance of - Rs 209-3-7 at the end of June 1912 and the question

of wiping off this debit balance is also under correspondence. For this reason, this temple does not seem to be capable of contributing anything towards the Santarpane of 1912 nor ~~to~~ towards the Santarpane of 1913 (still to come off in oct 1913) to any great extent.

Under these circumstances, ~~it might~~ the funds of the Chandramouleswara temple seems to be the only source of meeting the expenditure in question, unless ~~the~~ a contribution is made from State Funds. But a sum of Rs 1093-8-5 being the Santarpane expenditure of 1911 was entirely met from the funds of the Chandramouleswara Swami temple. So, it ~~seems~~ may be a point for consideration whether the whole cost of the Santarpane of 1912 could also be ordered to be met entirely from the funds of the same temple. The comptroller has however been requested in Sl.9 to intimate the amount available at the credit of this temple.

In this connection, the

Dy Comr also suggests that, in future, the expenditure on this account should be ordered to be limited to Rs 878-6-0 (ie the amount which he has ~~proposed~~ to allot for Sulamasa Santarpane in the revised scales of expenditure ~~recd~~ sent by him), unless some other provision could be made for the excess expenditure.

It is also submitted that ~~the State grant has~~ a sum of about Rs 250/- only is available from the State grant of 1912-13. The Palace comptroller is pressing for early payment.

After this file is disposed of the question of definite allocation of funds to the Santalpara and binding the cost should be taken up. Sir,

I have the honor to inform you that the usual Tulamasa Santarpane for Smarthas and Madhwas at Paschimavahini and for Sri Vaishnavas in the Sri Ranganathaswami Temple at Seringapatam commences this year on the 16th October 1912.

2. Last year the expenditure incurred on account of this Santarpane amounted to Rs.1,093-8-5.

3. The ruling prices of food grains generally are much higher now than before within the past five years. Rice is not procurable here now for less than Rs.17¼ per Palla of 100 seers and ghee Rs.17/- per maund. The cost of the Santarpane is likely to be more than in previous years. Every endeavour will be made to manage this as economical as possible.

4. I accordingly beg to request that you will be so good as to obtain the sanction of the Government to the grant to me of an advance of Rs.1,000/- for the Santarpane in the current year.

Adverting to Government Proceedings No.491-3/Muz.F.207-12-4 dated 8-10-1912 sanctioning an advance of Rs.1,000/- on account of the Tulamasa Santarpane in the current year, I have the honor to submit herewith a bill of actual expenditure incurred on this account amounting to Rs.1,357-1-5. It will be seen that this expenditure is Rs.257-9-0 more than that of last year. This excess is the result of increase in the numbers that flocked to the Santarpane this year and the dearness of the prices of food grains. Those fed numbered 10,817 against 8,793 in 1911 and the rate that had to be paid for the purchase of Rice in the market was Rs.16½ per Palla against Rs.11½ in the past year.

I beg accordingly to request that you will be so good as to obtain the sanction of the Government to the bill and to arrange for the payment to me of the balance of Rs.357-1-5 to enable me to have this account duly adjusted.

Vouchers obtained from the parties concerned for the payment of Rs.1,000/- are attached to the bill.

SIR,

With reference to your letter No.381/Muz.207-12-2 dated 6th instant regarding the balance at credit of Sri Chendramouleswara Swami Temple at Siddalingapurm Mysore Taluk, I have the honor to state that during the year 1912-13 the receipts of the temple aggregated Rs.1,258-3-10, of which Rs.600/- was the Tasdik, and the balance from Inam Lands. The legitimate charges amounted to Rs.481-6-10 including the potgi of Patel and Shanbogue viz., Rs.155-6-10. A sum of Rs.193-8-5 was also debited to this Institution on account of the Tulamasa Santarpane for 1911-12 referred to in Government Order No.491-3/M.F.207-12-4 dated 8th October 1912, leaving Rs.1,876-13-0 available at the credit of the Temple on 30th June 1913. The cost of the Santarpane for 1912-13 viz Rs.1,351-1-5 may therefore be debited in full to this institution, but I do not think that in future the institution will be able to bear the charge permanently.
